Dear Lions and Lionesses:

On behalf of the City of Hope, I (we) would like to extend my/our heartfelt thanks for your support of last year's "Dollar and a Prayer" Program.

At City of Hope, the art of science and the nature of hope come together. Research thrives, driven by creative spirit and inspired action, and bolstered by tangible progress. At the heart of this progress is our outstanding research, clinical, fund-raising and administrative staff, sustained and encouraged by visionary philanthropic support. We remain steadfast in our commitment to innovation, discovery and healing; and together our efforts impact countless lives, expand possibilities for health and well-being, and extend the Science of Hope throughout the world.

We hope that you will continue to support City of Hope through the "Dollar and a Prayer" Program and invite you to join us in this incredible era of progress and discovery by participating in new programs currently being created.

Enclosed, please find a Lions Tile form for your convenience. Fill out form and return with check as soon as possible for processing.

If you have any questions, please give Phyllis a call at 800-544-3541, ext. 26561.

Your unwavering support will power the discoveries of today and will make possible the discoveries of tomorrow. Most of all, it will give HOPE to patients and their families to carry on.

Sincerely,

Trish Devine
