

GOD BLESS AMERICA

God Bless America,

Land that I love.

Stand beside her, and guide her

Thru the night with a light from above.

From the mountains, to the prairies,

To the oceans, white with foam

God bless America, My home sweet home

God bless America, My home sweet home.

JUST HANG LOOSE

Just Hang Loose
And Just have fun
Sippin' on a drink alyin' in the sun
Now Don't try to fight it
There ain't no use
When you're in Hawaii
You should Just Hang Loose.

AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!

America! America!

God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea!

AMERICA

My country, 'tis of Thee,
Sweet Land of Liberty
Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain side
Let Freedom ring.

THE STAR-SPANGLED BANNER

Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?

Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched were so gallantly streaming?

And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

FOR HE'S (SHE'S) A JOLLY GOOD LION

For he's a jolly good Lion

For he's a jolly good Lion

For he's a jolly good Lion

And so say all of us

And so say all of us

And so say all of us

For he's a jolly good Lion

For he's a jolly good Lion

For he's a jolly good Lion

And so say all of us

STRENGTHEN THE PRIDE

Strengthen the pride through service
for causes so worthy and just.

Strengthen the pride through involvement,
belonging is never enough.

We have to build our clubs up
to show the world what we're made of,
Strengthen the pride through service,
strengthen the pride through love.

(STRENGTHEN THE PRIDE)

REFRAIN: (Chorus)

Dig down deep, let it go, and roar like a Lion
tell the whole world, we'll never stop tryin'
we are the Lions Clubs, we can't be denied, no, no, no.
so dig down deep and strengthen the pride

Strengthen the pride through giving,
ready to answer the need.

Strengthen the pride through investing
in training others to lead;
we have to grow our numbers,
expand relationship, too.
we just have to ask somebody,
somebody with a heart like you...

REFRAIN: (Chorus) Dig down deep, let it go...

THIS LAND IS YOUR LAND

This land is your land, this land is my land,
From California, to the New York Island,
From the Redwood Forest, to the Gulf Stream Waters,
This land was made for you and me.

I roamed and rambled, my footsteps led me
To the sparkling sands of her diamond deserts
And all around me a voice was singing
This land was made for you and me!

This land is your land, this land is my land,
From California, to the New York Island,
From the Redwood Forest, to the Gulf Stream Waters,
This land was made for you and me.

As I was walking that ribbon of highway
I saw above me the endless skyway
I saw below me that golden valley
This land was made for you and me!

This land is your land, this land is my land,
From California, to the New York Island,
From the Redwood Forest, to the Gulf Stream Waters,
This land was made for you and me.

The sun was shining, as I was strolling,
The wheat fields waving, the dust clouds rolling,
As the fog was lifting, a voice was saying
"This land was made for you and me!"

This land is your land, this land is my land,
From California, to the New York Island,
From the Redwood Forest, to the Gulf Stream Waters,
This land was made for you and me.

This land was made for you and me.

This land was made for you and me.

PROUD MARY

Left a good job in the city,
Workin' for the man ev'ry night and day,
And I never lost one minute of sleepin',
Worryin' 'bout the way things might have been.

[Refrain:] Big wheel keep on turnin',
Proud Mary keep on burnin',
Rollin', rollin', rollin' on the river.
Rollin', rollin', rollin' on the river.

Cleaned a lot of plates in Memphis,
Pumped a lot of pain down in New Orleans,
But I never saw the good side of the city,
'Til I hitched a ride on a river boat queen.

[Refrain:] Big wheel keep on turnin',
Proud Mary keep on burnin',
Rollin', rollin', rollin' on the river.
Rollin', rollin', rollin' on the river.

If you come down to the river,
Bet you gonna find some people who live.
You don't have to worry 'cause you have no money,
People on the river are happy to give.

[Refrain:] Big wheel keep on turnin',
Proud Mary keep on burnin',
Rollin', rollin', rollin' on the river.
Rollin', rollin', rollin' on the river.

BLOWING IN THE WIND

How many roads must a man walk down
Before they call him a man?

How many seas must a white dove sail
Before she sleeps in the sand?

How many times must the cannonballs fly
Before they're forever banned?

The answer, my friend, is blowing in the wind
The answer is blowing in the wind.

How many years must a mountain exist
Before it is washed to the sea?

How many years can some people exist
Before they're allowed to be free?

How many times can a man turn his head
and pretend that he just doesn't see?

The answer, my friend, is blowing in the wind

The answer is blowing in the wind.

How many times must a man look up
Before he can see the sky?

How many ears must one man have
Before he can hear people cry?

How many deaths will it take till he knows
That too many people have died?

The answer, my friend, is blowing in the wind
The answer is blowing in the wind.
