

Just Hang Loose

**So here's a little message
That we'd like to share,
By helping our community
We show that we care.
Come join us, be a Lion,
If you have the nerve,
The people in the world
Who proudly shout "We Serve!"**

**Just Hang Loose; Just have fun
Sippin' on a drink Lyin' in the sun
Don't try to fight it; There ain't no use
Cuz when you're in Hawaii
You should Just Hang Loose**
